

[piedroo]

Comfortable and modern.

This model is off-the floor and has a beautiful *fold* at the arm part. It becomes really inviting combined with the extra large *one arm chaise*. The functional headrest adjustment is included with this model, a motorized seat extension can be ordered for upcharge.

Flexible headrest

Every item is equipped with a flexible headrest with notch function as standard.

Extendible lying surface

Some items can be fitted with the seat extension in return for a surcharge. The total depth extends. The sensor touch button is located in the middle under the back cushion. Item no. = A02.

Metal colours for legs

The leg can be ordered in the implementation high-gloss chrome or powder-coated black. Please indicate when ordering.

Absolutely eye-catching

The armpart design of the model provides an interesting look and stands for special craftsmanship.

Castors for ottomans

The ottomans can be equipped with castors for surcharge. Two of the castors can be created. Thus a comfortable, big couch surface can be created.

Order information

Extendible lying surface:
The sensor touch button for the seat extension by motor is located in the middle under the back cushion.

Back sides of sofas:
All pieces are genuinely upholstered at the back.

Positioning diagram:
Please send us a positioning diagram, depending on the many different variations available. We have marked the connecting sides in red for some elements in the type guide.

Base leg Z:
If elements and sofas with or without an armpart are to be attached directly to elements or sofas with or without an armpart, a base leg Z is required. The base leg must be ordered separately. See price list.

Connecting sides:
For a surcharge, the connecting sides can be supplied in the original cover instead of stretch fabric.

Seam appearance:
Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

All dimensions given are approximate measurements in inches. We reserve the right to make changes. The dimensions are given in width/depth/height/seat height. The depth measures contain protruding of the overlapping headrest, if the headrest is folded backwards.

Seat depth: approx. **22 in**
Seat depth with function: approx. **30 in**
Armpart height: approx. **23 in**

Armpart width: approx. **14 in**
Height, if headrest up: approx. **35 in**
Recommended space to the wall: approx. **6 in**

Especially loose-fitting upholstery:
The upholstery of this model has intentionally been made especially loose to create a certain visual effect. The especially loose-fitting upholstery is characterized by an extremely soft surface. When being delivered, the cover shows a distinctive wave formation, which design- and constructionwise is being desired and can get more by usage. It is not a quality defect but a model-specific characteristic.

Contrasting thread:
This model is available in leather and some fabric colours with contrasting colour thread on request at no extra charge. You will find the specified colours on the cover sheet of the individual leather qualities in our fabric/leather trolley. Please always state the contrast thread number, otherwise it will be delivered tone in tone.

Order checklist

- Structure and cover
- Motorised seat extension (surcharge)
- Metal colour for leg
- Ottomans
- Castors for ottomans (surcharge)
- Positioning diagram
- Base leg Z
- Contrasting thread

5. **Back upholstery structure** of **ergo**-PUR-foam with diolen cover

Upholstered furniture made with passion.

Your model is the product of German design and engineering. The family-owned company W.SCHILLIG has more than 70 years' experience of technical skill, trend-setting ideas, attractive design and know-how from Germany. The result is upholstered furniture that guarantees first class comfort and attention to detail. We keep sustainability and protection of resources in mind when choosing the materials we use.

The RAL quality mark for furniture stands for the certain knowledge that this is a non-hazardous piece of furniture of reliably high quality and with an attractive design. The Deutsche Gütegemeinschaft Möbel makes sure of this with numerous tests. Inspections also safeguard the testing system.

The highest European accolade for systematic, in-house, environmental management. Improvement of environmental protection services.

Legs

metal leg, **diff. metal col.**

F C3

metal castor/
ottoman, **surcharge**

F 6R

Castors for ottomans:

Every ottoman can be equipped with castors against surcharge. The item number is R0. Two of the castors can be fixed.

Metal colours:

The leg is available in different metal colours. Please indicate when ordering.

Powder-coated:

The colour M99 black is powder-coated.

Legs and floor protection:

In case of very slender furniture legs with deliberately filigree shapes and with small surfaces, it comes to a raised pressure on the floor. We recommend felt pads or another suitable mat as protection for scratches and pressure points in connection with sensitive and/or soft floors. Even if you barely move the furniture, it can be helpful to have a carpeted floor.
