**Cleaning & Care:** with commercially available products

## **Characteristics typical of the product:**

- Seat shine is unavoidable.
- Pilling is unavoidable and can be caused by the adherence of clothing and other textile fibres.
- When in use patina and shiny patches must be expected.
- Loops caused by catching on sharp objects or Velcro strip are to be expected.
- Caution: If the material is of a light colour, soiling and jeans rubbing will show up faster and more clearly than on dark colours.

## **Caution:**

Discolouration caused by textiles are excluded from every manufacturer warranty.

This is not a fault in the material, but a defect in the clothing material. The complaint should be addressed to the clothing store where the article was purchased. The „polluter pays“ is the principle that applies here.
